- 2) Experience in digital control, digital communication, specifically in battery management system
- 3) Desirable: Experience in electromagnetic simulation using ANSYS/COMSOL
- 4) Leadership and management quality (experience in organizing workshop, seminars)
- 5) Expertise in technical writing and research publication.

Age limit: 28 years

Salary: Rs. 37,000/- per month, plus applicable HRA

Duration: The initial appointment will be given for six months and is extendable based on performance. This is also subject to the availability of the funds for the project (Total project duration of 3 years).

How to apply: Interested candidates must apply on the 'application form' attached to this advertisement. Duly completed 'application form' along with the candidate's resume must be mailed or emailed to the PI, Dr. Shashank Kurm, at kurmshashank@iitbhillai.ac.in reach by 15th July 2026 (on or before 5.00 pm). Applications without the 'application form' shall not be considered. Only shortlisted candidates will be called for an **online/offline*** [*depending on the situation] interview depending on the situation. The positions are available immediately.

Due date: The application must reach the Dr. Shashank Kurm (kurmshashank@iitbhillai.ac.in), by 15th July 2026 (on or before 5.00 pm).

Terms & Conditions:

- i. No TA/DA will be provided to the candidate for the interview.
- ii. The PI shall not be responsible for postal/courier delay if any, or any other reason for non-receipt of the document at the specified time and will result in disqualification/rejection of the application.
- iii. The decision of the selection committee will be final.
- iv. If the number of shortlisted candidates called for the interview is large, the selection committee may decide to restrict the number of candidates for the interview to a reasonable limit after considering qualifications and experience over and above the minimum prescribed in the advertisement.
- v. The candidate's appointment will be governed by the terms and conditions of the Institute/funding agency particularly applicable to the said project as and when required.
- vi. The selected candidate will have to join duty immediately upon receipt of the offer.
- vii. The fellowship may be terminated with a 30-day notice before completion of the tenure if performance till date is not deemed satisfactory.
