Corrigendum

Subject: Rescheduling of Walk-in Interview “Accessible Banking functionalities for Divyang (visually impaired) using smart ATM”.

This is to inform all concerned that the walk-in interview for Divyang ATM for the posts of Project Engineer and Project Associate under an IBITF-funded research project, previously scheduled for **18 September 2026**, has been postponed because the Principal Investigator (PI) will be unable to attend due to urgent official work.

The walk-in interview will now be held on **21 September 2026**. All other terms and conditions mentioned in the original advertisement shall remain unchanged.

Prof. Santosh Biswas

Principal Investigator
